SOFTWARE LICENSE

End User License Agreement

Torri Media · Effective September 29, 2026

Please read this Agreement carefully. By purchasing, downloading, installing, activating, or using software published by Torri Media, you agree to these terms. If you do not agree, do not install or use the Software.

1. Parties and Scope

This Agreement is between you ("you" or "Licensee") and Alexander Torri, doing business as Torri Media ("Torri Media," "we," "us," or "Licensor").

It applies to software products published by Torri Media — including applications, audio plugins, documentation, factory presets, samples, wavetables, and other included content (together, the "Software") — and to any license key, update, or related material we provide with them. It applies whether the Software is purchased, provided as an evaluation, beta, or complimentary copy, or obtained from Torri Media or an authorized reseller.

A product page, checkout, or license key may identify a specific product or edition. This Agreement covers that product and edition. Keys and editions are not interchangeable unless we say so in writing.

If you are accepting on behalf of an organization, you represent that you have authority to bind that organization, and "you" includes both you and that organization.

2. License Grant

The Software is licensed, not sold. Subject to your compliance with this Agreement and payment of any applicable fees, Torri Media grants you a personal, limited, non-exclusive, non-transferable, non-sublicensable license to:

- download, install, and use the Software on computers you personally own or control, for your own use;
- use the Software in commercial and non-commercial music, sound, performance, broadcast, and similar production work; and
- use factory presets and similar included content as part of your own mixed, performed, or recorded audio.

You may install the Software on more than one computer you own or control, provided that only you use those copies. If other people in a studio, school, or company need to use the Software, each person needs their own license.

3. Your Audio

As between you and Torri Media, you own the audio you create with the Software. We claim no ownership of your compositions, recordings, or performances. No extra royalty or credit to Torri Media is required when you release work made with the Software.

4. Restrictions

You may not:

- copy, distribute, publicly perform the Software itself, or otherwise make the Software available to others, except as this Agreement allows;
- resell, rent, lease, lend, sublicense, or transfer the Software or your license key, except with our prior written consent or as applicable law requires;
- share your license key, or use it to activate the Software for another person;
- reverse engineer, decompile, disassemble, or otherwise attempt to derive source code from the Software, except to the extent applicable law expressly permits despite this restriction;
- circumvent, disable, or interfere with license verification, copy protection, or similar technical measures;
- remove or alter copyright, trademark, or other proprietary notices;
- redistribute factory presets, wavetables, samples, impulse responses, or similar included content as a standalone pack, as samples, or as part of a competing product; or
- use the Software to develop a competing product that copies a substantial part of its design, code, or included content.

5. License Keys

Access to the Software may require a unique license key issued to you. Keys are personal. A key for one product or edition does not unlock another unless we say so in writing.

Keep your key confidential. We may disable a key that we reasonably believe was shared, leaked, refunded, chargebacked, or obtained without authorization. Unlicensed, invalid, or expired keys may result in the Software remaining silent or otherwise unusable.

6. Evaluation, Beta, and Complimentary Copies

We may provide evaluation, beta, or complimentary copies. Those copies may be time-limited, feature-limited, or otherwise restricted. They do not create a right to a paid license, and we may end them at any time.

If you send ideas, suggestions, or other feedback, you grant Torri Media a worldwide, perpetual, irrevocable, royalty-free license to use and incorporate that feedback without obligation to you.

7. Updates

We may provide updates, fixes, or new versions from time to time. An update may be required for continued use. A new version or edition may have different terms or a separate fee. We are not obligated to provide updates, support, or any particular feature for any period of time.

8. Third-Party Materials and Hosts

The Software may include third-party libraries, SDKs, or content under their own licenses. Those terms continue to apply. The Software may also run inside host applications we do not control. We are not responsible for those hosts or for compatibility with every host, operating system, or configuration.

9. Purchase and Resellers

Purchases may be processed by Torri Media or by an authorized reseller or merchant of record. Payment, tax, and refund terms for a purchase are governed by the checkout terms presented at the time of purchase. This Agreement governs your license to use the Software.

10. Ownership

Torri Media and its licensors retain all right, title, and interest in and to the Software, including copyright, trademarks, trade dress, and trade secrets. No rights are granted except as expressly stated in this Agreement. This Agreement does not grant you rights in Torri Media names or marks except as needed to identify the Software you licensed.

11. Disclaimer of Warranties

THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. WE DO NOT WARRANT THAT THE SOFTWARE WILL BE ERROR-FREE, UNINTERRUPTED, OR COMPATIBLE WITH EVERY HOST, OPERATING SYSTEM, OR CONFIGURATION.

Some jurisdictions do not allow the exclusion of certain warranties. In those places, the above exclusion applies only to the extent permitted by law. You may have additional rights that this Agreement cannot change.

12. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, TORRI MEDIA AND ITS SUPPLIERS WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, LOST DATA, BUSINESS INTERRUPTION, OR THE COST OF SUBSTITUTE SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.

OUR TOTAL LIABILITY FOR CLAIMS ARISING OUT OF THIS AGREEMENT OR THE SOFTWARE WILL NOT EXCEED THE AMOUNT YOU PAID TO TORRI MEDIA OR ITS AUTHORIZED RESELLER FOR THE LICENSE GIVING RISE TO THE CLAIM DURING THE TWELVE (12) MONTHS BEFORE THE CLAIM, OR TEN U.S. DOLLARS IF YOU PAID NOTHING.

The above does not limit liability that cannot be limited under applicable law, including liability for death or personal injury caused by negligence where such a limitation is prohibited.

13. Indemnity

You will defend and indemnify Torri Media against claims arising from your use of the Software in violation of this Agreement or applicable law, or from content you create with the Software, except to the extent caused by our willful misconduct.

14. Term and Termination

This Agreement begins when you first purchase, download, install, activate, or use the Software, and continues until terminated. It terminates automatically if you materially breach it. You may terminate by deleting all copies of the Software and your license key.

On termination, you must stop using the Software and destroy all copies in your possession or control. Sections that by their nature should survive — including Sections 3, 4, 6, 10 through 13, and 15 through 18 — survive termination. Termination does not affect your ownership of audio you already created.

15. Export

You will comply with applicable export, import, and sanctions laws. You represent that you are not a prohibited party under those laws and will not use or export the Software in a prohibited jurisdiction or for a prohibited purpose.

16. Privacy

We may collect limited information needed to issue and validate licenses, provide support, and operate our storefront. Any privacy notice we publish at torri-media.com describes that collection in more detail.

17. Changes

We may update this Agreement for future licenses or later copies of the Software. The Agreement presented at the time of your purchase or download applies to that license, unless a change is required by law. Continued use of a later copy after we present an updated Agreement constitutes acceptance of that updated Agreement for that copy.

18. General

This Agreement, together with any product-specific terms presented at purchase, is the entire agreement between you and Torri Media for the license of the Software. It supersedes prior or contemporaneous communications on that subject.

If a provision is unenforceable, the rest remains in effect. A failure to enforce a provision is not a waiver. You may not assign this Agreement without our written consent. We may assign it in connection with a sale of the business or of the Software.

This Agreement is governed by the laws of the State of Texas, United States, without regard to conflict-of-law rules. Exclusive venue for disputes is the state or federal courts located in Texas, except that we may seek injunctive or other equitable relief in any court of competent jurisdiction to protect intellectual property. You and we waive any objection to those courts based on venue or inconvenient forum.

There are no third-party beneficiaries. Headings are for convenience only. Electronic acceptance of this Agreement is valid. Notices to Torri Media may be sent to the contact details below.
